8 **Individual Authorization**

Once your enrollment package is processed, your 457(b) portfolio will be available online. You will be sent your username and password via regular mail or email.

By executing this Enrollment Form:

I hereby adopt the Prime Plan 457(b) (7) Custodial Account (the Program) and certify that I have received and read the Custodial Agreement for the Program;

I acknowledge that I must read the prospectus of any mutual fund in which I invest and agree to the terms.

I understand that I may designate a beneficiary for my assets accumulated under the Program, and that if I choose not to designate a beneficiary, my beneficiary will be my surviving spouse or, if I do not have a surviving spouse, my estate.

Along with the governing laws for 457(b) plans, your plan sponsor determines your plan's provisions. You can read these rules in your plan document or summary plan description. We apply these rules as we administer your account.

I certify under penalties of perjury that: (1) I am a U.S. person (including a U.S. resident alien) and the Social Security or taxpayer identification number provided above is correct; and (2) I am not subject to IRS backup withholding because: (a) I am exempt from backup withholding; or (b) I have not been notified by the IRS that I am subject to backup withholding as a result of a failure to report all interest or dividends; or (c) I have been notified by the IRS that I am no longer subject to backup withholding.

I acknowledge that Prime Plan will set up a Money Market Fund in my name to receive my contributions forwarded to Prime Plan by my plan sponsor prior to my allocation of other investment selections. I further acknowledge that this money market position is neither insured nor guaranteed by the Federal Deposit Insurance Corporation or any other U.S. Government agency. Although money market funds seek to preserve their value at \$1.00 per share, it is possible to lose money by investing in a money market fund.

I agree that in the event that the status of a no-transaction fee mutual fund is charged to a transaction fee mutual fund, all new money designated for that fund will be deposited into my money market fund. In addition, all fees will be deducted proportionately from non-transaction fees only.

I agree to the Terms and Conditions of use set forth in the Plan Trust Document, agreements and fee schedules. Once enrolled, I will log in and review all necessary documents.

I agree to log into my account to complete my enrollment, make my investment decisions and review the Terms and Conditions of use of the Prime Plan Internet based portfolios access tools.

I agree that I will receive all documentation related to my Investments in an electronic form, including all account statements, transaction confirmations, tax documentation, and mutual fund prospectuses and periodic reports.

I authorize Asset & Financial Planning Ltd., Registered Investment Advisor, to deduct from my account asset based fees per the rate I selected in Section 5. If I did not select a rate, I agree that my Program fee rate will default to 0.50% of assets per year. In addition, I authorize Asset & Financial Planning Ltd. to effect transactions in the account, including, but not limited to, Periodic Investment Plans.

9 Resolving Disputes – Arbitration

This agreement contains a pre-dispute arbitration clause, which becomes binding on all parties when you sign your account application, you, we, and NFS agree as follows:

- a. All parties to this agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.
- b. Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.
- c. The ability of parties to obtain documents, witness statements, and other discovery is generally more limited in arbitration than in court proceedings.
- d. The arbitrators do not have to explain the reason(s) for their award.
- e. The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.
- f. The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.
- g. The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this agreement.

All controversies that may arise between you, us, and NFS concerning any subject matter, issue, or circumstance whatsoever (including, but not limited to, controversies concerning any account, order or transaction or the continuation, performance, interpretation or breach of this or any other agreement between you, us and NFS, whether entered into or arising before, on or after the date this account is opened) shall be determined by arbitration in accordance with the rules then prevailing of the Financial Industry Regulatory Authority (FINRA) or any United States securities self-regulatory organization or United States securities exchange of which the person, entity or entities against whom the claim is made is a member, as you may designate. If you designate the rules of a United States self-regulatory organization or United States securities exchange and those rules fail to be applied for any reason, then you shall designate the prevailing rules of any other United States securities self-regulatory organization or United States securities exchange of which the person, entity or entities against whom the claim is made is a member. If you do not notify us in writing of your designation with five (5) days after such failure or after you receive from us a written demand for arbitration, then you authorize us and/or NFS to make such designation on your behalf. The designation of the rules of a United States self-regulatory organization or United States securities exchange is not integral to the underlying agreement to arbitrate. You understand that judgment upon any arbitration award may be entered in any court of competent jurisdiction. No person shall bring a putative or certified class action to arbitration, nor seek to enforce any predispute arbitration agreement against any person who has initiated in court a putative class action; or who is a member of a putative class action who has not opted out of the class with respect to any claims encompassed by the putative class action until: (i) the class certification is denied; or (ii) the class is decertified; or (iii) the customer is excluded from the class by the court. Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this agreement except to the extent stated herein.
